

Addendum to Fall 2007 AAJA Governing Board Meeting Minutes

A revised 2008 budget was proposed by Astudillo, reflecting changes in the 2008 UNITY convention budget. The revised UNITY convention budget, approved by the UNITY Board of Directors Jan. 3, projects less net income from the convention than had been anticipated last fall. AAJA's revised 2008 budget reflects this projection of reduced income from the UNITY convention.

Blackmun moved to approve the revised 2008 AAJA budget. Tan seconded. Motion passes.
